

Understanding Personality Styles

Movers

Core Value: Freedom

The Mover personality style is bold, exploratory, and playful. Movers seek action and adventure. They crave variety and enjoy improvising. Movers are good at thinking on their feet. They automatically find the fastest way to do things and make them fun. They change course often and aren't likely to let bumps in the road slow them down.

Connectors

Core Value: Relationship

The Connector personality style is considerate, cooperative, and encouraging. Connectors seek harmony and personal connection. They prefer to make decisions that feel good. They tend to connect meaning to actions and events. They excel at recognizing strengths in others and place a high importance on personal growth.

Thinkers

Core Value: Competency

The Thinker personality style is curious, logical, and self-sufficient. Thinkers seek clarity and knowledge. They prefer to make calculated decisions. Thinkers explore all aspects of an issue and can't help but suggest new ways of doing things. They need time to think before making decisions. They can be fiercely independent and private.

Planners

Core Value: Responsibility

The Planner personality style is organized, prepared, and dependable. They seek order and fairness. They crave consistency and things in their place. Planners have a natural sense of right and wrong. They like to keep their personal space well-tended and pay attention to details. Planners seek a sense of completion and enjoy crossing items off a list.
